

Fridge Use Guidelines

- Every Monday at 8:00am all items in the fridge will be tossed except for items stored in the door.
- Door items will be placed in the main area of the fridge at 8:00am on Monday and must be returned to the door before 8:00am on the following Monday or they will be thrown out.
- Unlabeled food is community property. Feel free to take some.
- Do not eat labeled food that is not yours!
- Any contraband items found stored in the fridge will be immediately disposed of.
- This fridge is shared with hundreds of others. Please be mindful of how much space you are using.

General Grad Pad Guidelines

- Unlabeled beverages, snacks and K-Cups in the cabinets or refrigerator, are free to graduate students who visit the Grad Pad.
- Please place all trash in the proper receptacle. Do not leave a mess for someone else to clean up. We would appreciate your help with keeping this community space, neat and tidy. A broom, dustpan and Lysol wipes are available for your use.
- Please remember that the food and beverage items are for all graduate students. We ask that you **only take one** food and beverage item at a time, so that there is enough to go around.
- Do not remove the Keurig Brewing Station from the Grad Pad (SSB 350). It is for use by graduate students in the Grad Pad.

Most importantly, we want you to enjoy the space! If you have any questions, concerns, or suggestions, please contact: Cassie Gunter at cgunter@ucmerced.edu.
